- Friday, November 18- Money for Home of the Lions shirt due

New Hats are in!

CURRENT EVENTS

Hat Day

On Friday, November 18, students are allowed to wear a hat to school with a cost of \$1. We will collect the money during first period. Students must wear the sticker or stamp given to them when they pay in order to wear a hat. All money will go to support our robotics team.

Field Trip to TVA

On Thursday, November 10, Robocon took a field trip to TVA Power Shop #2. While we were there, we took a tour of the shop and learned about TVA history. TVA gave each member of the team a souvenir that we watched the employees make. We were informed about some of the engineering fields in the work force today.

"Engineering for Tomorrow"
